Agreement Between  
City of Ithaca  
and  
Ithaca Professional Fire Fighters Association, IAFF Local 737

January 1, 2011 – December 31, 2015

THIS AGREEMENT, made and entered into at Ithaca, New York, pursuant to the provisions of Article 14 of the New York State Civil Service Law, by and between the City of Ithaca, a municipal corporation, as municipal employer, hereinafter referred to as the “City”, and the Ithaca Professional Fire Fighters Association, IAFF Local 737, as representative of employees of the Ithaca Fire Department who are employed by the City of Ithaca, and hereinafter referred to as the “Union”.

## 1. Recognition

- a. The City recognizes the Union as the sole and exclusive representative of the uniformed employees of the Ithaca Fire Department, with the exception of the Fire Chief, Deputy Fire Chief(s) and Assistant Fire Chiefs. This Agreement applies to all such employees.

## 2. Negotiations

- a. Either party to this Agreement may select its own negotiator(s) to conduct negotiations under the provisions of Article 14 of the New York State Civil Service Law.

## 3. Timetable

- a. The negotiating teams for the parties will meet on or about April 1, 2015 to begin negotiations with a general discussion of problems which could be solved through the new contract and goals and objectives for the new contract. Ground rules will be established, if deemed necessary.
- b. On or before May 1, 2015, the parties will meet to exchange proposals.
- c. Negotiations will proceed thereafter in a schedule to be agreed upon by the parties.

## 4. Management Rights

- a. The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its responsibilities, and the powers or authority which the City has not officially abridged, delegated or modified by this Agreement are retained by the City. The Union recognizes the exclusive right of the City to establish reasonable work rules. Any disputes concerning these work rules with respect to reasonableness, interpretation or discrimination, shall be subject to negotiation, fact finding and arbitration under the rules of Section 5 – "Contract Administration and Grievance Procedure" of this Agreement.
- b. The City has the right to schedule overtime work as required in a manner most advantageous to the City and consistent with the requirements of municipal employment and the public interest.
- c. It is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described. Nevertheless, it is intended that all such duties shall be performed by the employee.
- d. The signing of this Agreement shall not abridge any employee rights or privileges to which he/she is entitled by ordinance, Civil Service Law, Charter, Board Ruling or historical practice, unless such right or privilege is specifically covered by one or more terms of this Agreement.

## 5. Contract Administration and Grievance Procedure

- a. For the purpose of this section, "days" shall be defined as regular business days of the City, unless otherwise noted.
- b. In the event of a dispute between the parties to this Agreement involving the interpretation or application of any provisions of this Agreement, either party shall have the right to resolve the dispute in the following manner:
  - i. The dispute shall be presented to the Fire Chief, in writing, within ten (10) days of its occurrence. The Fire Chief or, in his/her absence, a Deputy Fire Chief shall discuss the grievance with the President of the Union or his/her designee (said designation to be in writing from President) and issue a written response to the Union within ten (10) days of the receipt of the grievance.
  - ii. If the Fire Chief's decision is unsatisfactory to the Union, the Union may appeal the decision to the Mayor within ten (10) days of the date of the Chief's decision. Such appeal shall be in writing. The Mayor shall meet with the Union within ten (10) days in order to discuss the grievance, and shall respond, in writing, within ten (10) days of such meeting. It is understood that grievance decisions which result in a financial impact on the City will require authorization from the Budget and Administration Committee prior to implementation.

- iii. In the event that the Mayor's decision is unsatisfactory to the Union, the Union may submit the dispute to arbitration within ten (10) days of receipt of the Mayor's decision. If the dispute is not submitted to arbitration within the ten (10) day period, the right to arbitration for said dispute shall be waived.
- iv. For the purpose of administering this section of this Agreement, the parties to this Agreement shall select and employ a competent arbitrator, mutually acceptable to both parties, and shall share the cost of said arbitrator equally. If the parties cannot agree on an arbitrator, the Union shall file a request with the New York State Public Employment Relations Board (PERB) to provide an arbitrator through established PERB procedures. The arbitrator shall have no power to add to, subtract from, or modify the provisions of this Agreement and shall have no authority to determine any other issue not so submitted. The decision of the arbitrator shall be final and binding upon the parties.

## 6. Release Time

- a. The City agrees to allow the Union President, or his/her designee (to be in writing), necessary time off with pay during working hours to process claims and/or contract administration disputes.
- b. The Union shall advise the City of the names of its negotiators. The Union shall be allowed a total of one-hundred (100) hours of employee's base salary for time spent in negotiations during regular working hours during the life of this Agreement, provided however that such time is scheduled at least six (6) calendar days prior to the actual date(s) needed. This notification requirement may be waived by mutual agreement between the Union and the Fire Chief.
- c. The City agrees to allow the Union president, or his/her designee (to be in writing), time off with pay during working hours to a maximum of one-hundred-eighty (180) hours for conducting Union business.

The Union's release time balance will not be debited for any full hours during which the City does not pay overtime to maintain normal shift staffing. For example, the Union president requests release time for an entire ten-hour day shift. For the first four hours that he/she is off, the City maintains normal shift staffing without paying overtime. In the subsequent six hours, however, the City pays overtime to maintain normal shift staffing. In this case the Union's release time balance would be debited six hours.

- d. Application for all release time as defined in this section shall be made at least forty-eight (48) hours prior to the time requested. Requests made less than forty-eight (48) hours before the shift is scheduled shall be granted if said request does not cause overtime and/or the request is of an "emergency" nature.

## 7. Agency Shop Clause

- a. Ithaca Professional Fire Fighters Association, IAFF Local 737, having been recognized as the exclusive representative of employees within the negotiating unit, shall be entitled to have deductions made from the wages and salaries of employees of said bargaining unit who are not members of Ithaca Professional Fire Fighters Association, IAFF Local 737, the amount equivalent to the dues levied by Ithaca Professional Fire Fighters Association, IAFF Local 737, and the fiscal or disbursing officer shall make such deductions and transmit the sum so deducted to Ithaca Professional Fire Fighters Association, IAFF Local 737.

## 8. Workforce Diversity

- a. The Union recognizes and supports the City of Ithaca's Diversity Statement, as it exists at the time of signing as set forth in Appendix A, and its commitment to diversity and creating an environment where each employee has an opportunity to reach his/her full potential.

## 9. Rules and Regulations

- a. The Rules and Regulations of the Fire Department, City of Ithaca, Ithaca, State of New York, dated effective March 1, 1974, including amendments made since, shall remain in full force, except the exceptions that are incorporated in this Agreement (Any amendments to these Rules must be mutually agreed upon by the Union and the Fire Chief and the Board of Fire Commissioners.).

  - iv. Lieutenants shall be called in according to the same procedure outlined above.
  - v. When an employee is called into work outside of the assigned schedule, he/she shall receive at least three (3) hours pay at the rate of one and one-half times the employee's current rate or time at the employee's option.
  - vi. Call in shall be optional. If an employee does not wish to be offered call in, he/she may request that he/she be taken off the call in list by notifying the Fire Chief in writing. Requests to be added or removed from the call in list will be processed within five (5) business days.

If an employee is held over for a complete shift, he/she shall receive time-and-one-half in cash or time at the employee's option for the full shift and, in addition, shall accrue sufficient compensatory time to allow the employee to take the following shift off with pay, if he/she was regularly scheduled to work said shift.

It shall be the employee's responsibility to tabulate the amount of time he/she has signed for and to ensure that he/she has not signed for more time than he/she has on record. This clause shall apply to compensatory time, holiday time and training ("T") time.
- b. Employees taking Compensatory or Holiday time off shall, when requesting such time, notify the Department which time balance (Compensatory or Holiday) the employee wishes to use. For example:

### Member Rights in Disciplinary Matters

#### 1. Member Rights

##### a. Initial Understanding

No member shall be disciplined, discharged, reduced in rank or compensation without a finding of just cause as a penalty for misconduct or incompetence.

##### b. Definitions – Each of the these definitions applies to all provisions in this section entitled “Member Rights in Disciplinary Matters.”

- 1) Department means the Ithaca Fire Department.
- 2) Chief refers to the Fire Chief.
- 3) Member shall mean any employee of the Department represented by the Union.
- 4) Representative means any person designated by the Union or the member to act on behalf of the member and/or Union.
- 5) Days mean regular business days of the City, unless otherwise noted.
- 6) Service means delivery of written notice by first class and certified mail, return receipt requested or by hand delivery of notice.
- 7) Counseling Memorandum means a written communication to a member intended to call attention to breaches in policy and/or procedure and for the purpose of instructing said member on more appropriate conduct or correcting the member’s behavior. Counseling memoranda are not intended to draw conclusions and shall not be used to punish members. Counseling memoranda do not constitute discipline for the purpose of this section.
- 8) Discipline includes any written reprimand or written reference to an oral reprimand, reduction in compensation, demotion in salary grade, imposition of a fine or suspension, which the Department seeks to impose on a member as a penalty for misconduct or incompetence.
- 9) Discharge means termination from service as an employee of the Department, following a hearing with a determination of just cause, which the Department seeks to impose as a penalty for misconduct or incompetence.
- 10) Notice of Discipline means a specific written document informing a member of each and every charge, date, policy and/or contract violation, and any other basis that provides the Department with their right to bring a disciplinary action against said member and what punishment, if any, the Department may seek.

**c. Rights to Representation**

- 1) When a member is the subject of an investigation, the Union President shall be advised, prior to any investigatory questioning of the subject member, that the member is the subject of an investigation.
- 2) Whenever a member who is the potential subject of a disciplinary action is summoned to a meeting with the Chief or the City for matters of discipline or discharge, or at any proceedings thereafter, the City or its representative shall make the member aware that he/she has the right to Union representation and shall inform the member of the issue to be discussed at the meeting.
- 3) Whenever a member who *is not* the potential subject of a disciplinary action is summoned to a meeting with the Chief or the City for matters of discipline or discharge pertaining to another member or City employee, and such member, during the course of the meeting becomes the potential subject of a disciplinary action, the City or its representative shall make the member aware that he/she has the right to Union representation and any protections pertaining to a subject of discipline shall then apply.
- 4) The Chief shall provide the member up to three (3) days to obtain representation for the meeting
- 5) A member may, at any stage of these proceedings, by way of written communication to the Chief and Union President, waive his/her right to union representation, which waiver shall apply to that stage and any subsequent stage thereafter. However, the member may rescind such waiver by written communication to the Chief and the Union President.

**d. Investigatory Suspensions**

- 1) Prior to initiating formal disciplinary action against a member, pursuant to this section entitled "Member Rights in Disciplinary Matters", the Chief, upon learning of and having a reasonable belief that a member has demonstrated incompetence or engaged in misconduct which generates concern for the safety and welfare of other members or the public, may suspend the member against whom the allegation is made, with pay and benefits, up to thirty (30) calendar days in order to further investigate the allegation.
- 2) If the allegation proves unfounded, all records of the allegation shall be removed from the member's personnel file and retained in a confidential file in the Chief's office for use only in the event that the City or the member is sued regarding the member, the event, or the Department's investigatory practices. The member shall immediately return to active duty with no loss of pay or other contractual benefits.
- 3) If, after further investigation, the Chief believes the allegation to be substantiated, disciplinary action may be taken pursuant to this section, "Member Rights in Disciplinary Matters."

**e. Limitations on Actions**

No disciplinary action against a member shall be commenced by the City more than eighteen (18) months after the occurrence of the alleged acts for which discipline is being considered. Such time limitation shall not apply where the act(s) would, if proven in a court of appropriate jurisdiction, constitute a criminal offense.

**f. Informal Resolution Procedure**

Prior to the service of formal charges, the Chief may initiate a meeting with the member and the Union for the purpose of resolving the situation informally.

If the City intends to use anything the member says in the meeting against the member in any disciplinary action, the member will be informed at the beginning of any such meeting that whatever he/she says may be used against the member in any such action. The member may refuse to answer any questions and in such case this refusal shall not be considered insubordination. In the event that the meeting does not resolve the disciplinary action, formal charges may be served on the member after the meeting.

**g. Procedures for Discipline**

- 1) Where the Chief has a reasonable, well-founded belief that a member is guilty of misconduct or incompetence, the Chief may initiate disciplinary action. If disciplinary action is taken, it shall be commenced by serving upon the member and Union president a notice of discipline.
- 2) If a member desires that the matter be resolved through the disciplinary procedure contained herein (an arbitration hearing), the member, or the Union on behalf of the member, shall serve upon the Chief notice that he/she desires an arbitration hearing. Said notice shall be served within ten (10) days of receipt of the notice of discipline. If the member, and the Union on behalf of the member, fail to provide the Chief with said notice within ten (10) days, the charges shall be deemed sustained.
- 3) If the member chooses an arbitration hearing and if the penalty being sought is discharge, the member will be suspended with pay and benefits, as provided in the subsection below entitled "Salary Protection During the Disciplinary Process".

**h. Discovery**

- 1) The parties agree that once disciplinary action has been initiated, disclosure of certain information may assist the parties in the search for the truth and in reaching resolution of a dispute involving discipline or discharge. Therefore, the parties agree to provide to the requesting party, within ten (10) days after a written request, the following information:
  - a) Names of any known witnesses with knowledge of facts relevant to the charges or specifications;

- b) Any documents, lab tests, scientific tests, photographs, video tapes, drawings, charts, etc...which relate to the charges or specification or that may, or could, be used in either parties' case;
  - c) Copies of sworn statements made by witnesses;
  - d) The identification of any witnesses with first hand information which would tend to mitigate or intensify the penalty.
- 2) Discovery requests shall be considered ongoing and any additional information responsive to the original request discovered at any time during the process should be made available to the requesting party.
  - 3) In no case shall either side be entitled to discovery of the work product of any attorney or labor consultant retained by either party.

**i. Procedures for Arbitration**

- 1) Selecting the Hearing Officer/Arbitrator
  - a) Within five (5) days of receipt of an employee's demand for an arbitration hearing, the City and the Union shall select a competent hearing officer, mutually agreeable to both parties. If the parties cannot agree on an arbitrator within these five days, they shall file a joint request with the New York State Public Employment Relations Board (PERB) to provide an arbitrator through established PERB procedures.
  - b) Upon selecting an arbitrator, the City and the Union shall jointly write to said arbitrator and request the arbitrator furnish the parties with a list of available dates within the next forty-five (45) days, or the period mutually agreed to by both parties.
  - c) In the event that the selected arbitrator is not able to provide available dates within the period agreed to by both parties, another mutually acceptable arbitrator shall be contacted as provided above. This process shall continue until reaching an arbitrator who is able to provide acceptable available dates for hearing as indicated above.
- 2) Burden of Proof
 

The Department shall bear the burden of proving that the member is guilty of the charges alleged. In non-discharge cases, the Department must establish the member's guilt by a preponderance of the evidence. In discharge cases, the Department must establish the member's guilt by clear and convincing evidence.

- 3) Requirement of Findings of Fact  
In reaching a decision after a disciplinary hearing, the arbitrator must make a specific finding, in writing, as to each separate allegation or specification in the notice of discipline. The decision must state whether the City met its burden of proof on each separate specification of the charges and explain the supportive evidence.
- 4) Transcript  
The parties, by mutual agreement, may provide for a stenographic record. In such cases the transcript shall serve as the official transcript of the hearing. The costs shall be borne equally between the City and the Union
- 5) The starting time for the hearings will be mutually agreed to between the Union representative and the City representative.
- 6) The parties agree that post hearing briefs are discouraged, but if required by the arbitrator, said briefs are to be received by the arbitrator within twenty-five (25) calendar days of the close of the oral arguments.
- 7) The arbitrator shall have thirty (30) calendar days after closing the record and/or receipt of the briefs, if any, to render a decision which shall be final and binding upon all parties to the arbitration. Copies of the Decision and Award shall be mailed to the parties' representatives.
- 8) The arbitrator and the parties to the arbitration shall be bound by the Voluntary Rules and Procedures of the American Arbitration Association, to the extent that said rules are not inconsistent with any of the terms of this agreement.
- 9) The member may, at the member's expense, have his/her own representative present at the arbitration hearing and/or related proceedings. The Union and/or member shall have the right to consult with representation at any stage of the disciplinary proceedings, so long as such consultation does not unduly disrupt or delay the proceedings. The Union has the right to be present at any meeting and/or discussion that takes place between the City and the member's representative.

**j. Salary and Benefits Protection During the Disciplinary Process**

- 1) Investigatory Suspensions. Salary and benefits protection for members during investigatory suspension is covered in subsection d. of this Section.
- 2) Where the proposed penalty is anything less than discharge, the penalty will not be imposed until proceedings, i.e. a final arbitrator's decision or mutual agreement, have been concluded under this Section.
- 3) Where the proposed penalty is discharge, and the member has been directed not to report to work, the Department will continue the member's salary and benefits pending the arbitrator's decision, if the member chooses to challenge the penalty.

**k. Cost to the Parties**

All costs for the arbitrator's time, travel, etc. will be shared equally between the parties. Each party will pay the party's own witness and exhibit fees and costs.

**l. Extensions of Time**

By mutual agreement only, the Union and the City can extend any time frame contained herein.

**2. Personnel Files**

- a. The City shall keep only one official personnel file on each member. The file shall be kept in the City of Ithaca Human Resources Office and may not be viewed by the general public.
- b. Whenever any material of a derogatory nature is to be placed in a member's file, he/she will be notified. The member shall have the right to challenge the material before it is placed in his/her file.
- c. The member may write a response to the derogatory material and/or may grieve its placement in the file if the City will not remove it after the member has so requested.
- d. Upon requesting to do so, a member shall have the right to review the contents of his/her personnel file by the close of the next business day. If a member desires to have his/her Union representative or attorney review the personnel file they shall complete the appropriate authorization form and said representative shall have the right to review the personnel file within 72 hours. The review shall be conducted in the presence of the Human Resources Director or his/her designee. The member/designee shall have the right to copies of the personnel file, at no cost to the member/designee.
