

Niagara Falls Firefighters Local 714 and Niagara Falls Fire Officers Local 3359 are proud to host the 2023 Niagara Falls Firefighters "Labor Law 101" Seminar.

On November 2 and 3, 2023, we will host a two-day Labor Law introductory class at the Doubletree Hotel in Niagara Falls. The program will be designed to provide current firefighter union representatives and future union leaders with the foundations to be strong union advocates. The seminar, led by special guest Cornell ILR Professor Lee Adler, will focus on the history of the labor movement, current labor trends, the basic foundations of the Taylor Law, mandatory and permissive subjects of bargaining, the role of PERB, the utilization of the grievance procedures, and more. There will also be substantial time used for breakout sessions to debate solutions to the problems created by the retirement tiers, differentials in health insurance contributions, safe manning agreements and building more united Locals.
